Mount Horeb Share Day for the Hellenbrand Family

Monday, August 21, 11 am - 7 pm

Recently, a dog attacked 7-year-old Madelyn. Since, she has undergone surgery, including 100 stitches on her face and hand. At this point, it is unknown if Madelyn will have permanent nerve damage. She now requires a great deal of care including over the counter care products that are not covered by insurance. On August 21, the Mount Horeb Culver's will hold a share day to support Madelyn and her family. 10 percent of sales between 11 and 7 will be given to the Hellenbrand family.
